

Appendix VI

Undergraduate Programs (Chinese-taught)

No.	Programs	Duration
1	Mechatronic Engineering (Innovation Class)	4 years
2	Mechanical Engineering (including Mechanical Design and Manufacturing and its Automation, Mechanical and Electronic Engineering, Vehicle Engineering)	4 years
3	Measurement and Control Technology and Instruments	4 years
4	Industrial Engineering	4 years
5	Intelligent Manufacturing Engineering	4 years
6	Automation (Innovation Class)	4 years
7	Automation (including Automation, Robot Engineering)	4 years
8	Electrical Engineering and its Automation	4 years
9	Internet of Things Engineering	4 years
10	Data Science and Big Data Technology	4 years
11	Chemical Engineering and Technology (Innovation Class)	4 years
12	Chemical and Pharmaceutical (including Chemical Engineering and Technology, Energy Chemical Engineering)	4 years
13	Food Science and Engineering	4 years
14	Applied Chemistry	4 years
15	Electronic information (including Information Engineering, Communication Engineering, Electronic Information Engineering, Integrated Circuit Design and Integrated System)	4 years
16	Civil Engineering (including Civil Engineering, Road, Bridge and River Crossing Engineering, Urban Underground Space Engineering, Building Environment and Energy Application Engineering, Water Supply and Drainage Science and Engineering)	4 years
17	Engineering Management	4 years

18	Transportation	4 years
19	Surveying& Mapping Engineering	4 years
20	Computer (including Computer Science and Technology, Software Engineering, Network Engineering, Information Security)	4 years
21	Artificial Intelligence	4 years
22	Materials (Innovation Class)	4 years
23	Materials (including Polymer Materials and Engineering, Metal Materials Engineering, New Energy Materials and Devices)	4 years
24	Material Processing and Control Engineering	4 years
25	Energy and power (including Energy and Power Engineering, New Energy Science and Engineering)	4 years
26	Microelectronics Science and Engineering	4 years
27	Environmental Science and Engineering (including Environmental Engineering, Environmental Science, Environmental Ecological Engineering)	4 years
28	Safety Engineering	4 years
29	Foreign language and literature (including English, Translation, Business English)	4 years
30	Japanese	4 years
31	Electronic Science and Technology	4 years
32	Optoelectronic Information Science and Engineering	4 years
33	Biological Engineering	4 years
34	Pharmaceutical Engineering	4 years
35	Environmental Ecological Engineering (Innovation Class)	4 years
36	Business Administration (including Business Administration, Accounting, Human Resource Management, Marketing)	4 years
37	Management Science and Engineering (including Information Management and Information System, Real Estate Development and Management, Big Data Management and Application)	4 years
38	E-commerce	4 years

39	Land Resource Management	4 years
40	Mathematics (including Mathematics and Applied Mathematics, Information and Computing Science, Applied Statistics)	4 years
41	Law	4 years
42	Social Work	4 years
43	International Economics and Trade	4 years
44	Economics	4 years
45	Financial Engineering	4 years
46	Digital Economy	4 years
47	Industrial Design	4 years
48	Digital Media Technology	4 years
49	Design (including Clothing and Apparel Design, Environmental Design, Visual Communication Design, Product Design, Digital Media Art)	4 years
50	Fine Arts	4 years
51	Performance	4 years
52	Architecture (including Architecture, Urban and Rural Planning, landscape Architecture)	5 years
