Attachment 6

Chinese-Taught Undergraduate Programs

No.	Discipline Category	Program Name	Duration of Study	College
1	Engineering	Mechanical Design & Manufacturing and Automation	4 years	School of Electromechanical Engineering
2	Engineering	Mechatronics Engineering	4 years	School of Electromechanical Engineering
3	Engineering	Intelligent Manufacturing Engineering	4 years	School of Electromechanical Engineering
4	Engineering	New Energy Vehicle Engineering	4 years	School of Electromechanical Engineering
5	Management	Industrial Engineering	4 years	School of Electromechanical Engineering
6	Engineering	Electrical Engineering and Automation	4 years	School of Automation
7	Engineering	Automation	4 years	School of Automation
8	Engineering	Robotics Engineering	4 years	School of Automation
9	Engineering	Internet of Things Engineering	4 years	School of Automation
10	Engineering	Data Science and Big Data Technology	4 years	School of Automation
11	Science	Chemistry	4 years	School of Chemical Engineering and Light Industry
12	Science	Applied Chemistry	4 years	School of Chemical Engineering and Light Industry
13	Engineering	Chemical Engineering and Technology	4 years	School of Chemical Engineering and Light Industry
14	Engineering	Energy Chemical Engineering	4 years	School of Chemical Engineering and Light Industry
15	Engineering	Food Science and Engineering	4 years	School of Chemical Engineering and Light Industry
16	Engineering	Electronic Information Engineering	4 years	School of Information Engineering
17	Engineering	Communication Engineering	4 years	School of Information Engineering
18	Engineering	Information Engineering	4 years	School of Information Engineering
19-1	Engineering	Civil Engineering (International Student Class)	4 years	School of Civil and Transportation Engineering
19-2	Engineering	Civil Engineering	4 years	School of Civil and Transportation Engineering
20	Engineering	Building Environment and Energy Engineering	4 years	School of Civil and Transportation Engineering
21	Engineering	Water Science and Engineering	4 years	School of Civil and Transportation Engineering
22	Engineering	Geodesy and Geomatics Engineering	4 years	School of Civil and Transportation Engineering
23	Engineering	Transportation	4 years	School of Civil and Transportation Engineering
24	Engineering	Intelligent Construction	4 years	School of Civil and Transportation Engineering
25	Engineering	Smart Transportation	4 years	School of Civil and Transportation Engineering
26	Management	Construction Management	4 years	School of Civil and Transportation Engineering
27	Management	Information Management and Information Systems	4 years	School of Management
28	Management	Big Data Management and Application	4 years	School of Management
29	Management	Marketing	4 years	School of Management
30	Management	Human Resource Management	4 years	School of Management
31	Management	Business Administration	4 years	School of Management
32	Management	Accounting	4 years	School of Management
33	Management	Land Resource Management	4 years	School of Management
34	Management	E-commerce	4 years	School of Management
35	Engineering	Artificial Intelligence	4 years	School of Computer Science and Technology
36	Engineering	Computer Science and Technology	4 years	School of Computer Science and Technology
37	Engineering	Software Engineering	4 years	School of Computer Science and Technology
38	Engineering	Cyberspace Security	4 years	School of Computer Science and Technology
39	Engineering	Industrial Software	4 years	School of Computer Science and Technology

No.	Discipline Category	Program Name	Duration of Study	College
40	Engineering	Materials Forming and Control Engineering	4 years	School of Materials and Energy
41	Engineering	Metallic Materials Engineering	4 years	School of Materials and Energy
42	Engineering	Polymer Materials and Engineering	4 years	School of Materials and Energy
43	Engineering	New Energy Materials and Devices	4 years	School of Materials and Energy
44	Engineering	Energy and Power Engineering	4 years	School of Materials and Energy
45	Engineering	New Energy Science and Engineering	4 years	School of Materials and Energy
46	Engineering	Energy Storage Science and Engineering	4 years	School of Materials and Energy
47	Engineering	Environmental Engineering	4 years	School of Environmental Science and Engineering
48	Engineering	Environmental Science	4 years	School of Environmental Science and Engineering
49	Engineering	Safety Engineering	4 years	School of Environmental Science and Engineering
50	Engineering	Environmental Ecological Engineering	4 years	School of Ecological Environment and Resources
51	Liberal Arts	English	4 years	School of Foreign Languages
52	Liberal Arts	Japanese	4 years	School of Foreign Languages
53	Science	Mathematics and Applied Mathematics	4 years	School of Applied Mathematics
54	Science	Information and Computing Science	4 years	School of Applied Mathematics
55	Science	Applied Statistics	4 years	School of Applied Mathematics
56	Science	Applied Physics	4 years	School of Physics and Optoelectronic Engineering
57	Science	Quantum Information Science	4 years	School of Physics and Optoelectronic Engineering
58	Engineering	Electronic Science and Technology	4 years	School of Physics and Optoelectronic Engineering
59	Engineering	Optoelectronic Information Science and Engineering	4 years	School of Physics and Optoelectronic Engineering
60	Engineering	Industrial Design	4 years	School of Art and Design
61	Engineering	Digital Media Technology	4 years	School of Art and Design
62	Arts	Performing Arts	4 years	School of Art and Design
63	Arts	Fine Arts	4 years	School of Art and Design
64	Arts	Visual Communication Design	4 years	School of Art and Design
65	Arts	Environmental Design	4 years	School of Art and Design
66	Arts	Product Design	4 years	School of Art and Design
67	Arts	Clothing and Fashion Design	4 years	School of Art and Design
68	Arts	Digital Media Art	4 years	School of Art and Design
69	Law	Social Work	4 years	School of Law
70	Law	Law	4 years	School of Law
71	Engineering	Architecture	5 years	School of Architecture and Urban Planning
72	Engineering	Urban and Rural Planning	5 years	School of Architecture and Urban Planning
73	Engineering	Landscape Architecture	4 years	School of Architecture and Urban Planning
74	Economics	i Economics	4 years	School of Economics
75	Economics	Digital Economy	4 years	School of Economics
76	Economics	Financial Engineering	4 years	School of Economics
77	Economics	International Economics and Trade	4 years	School of Economics
78	Engineering	Pharmaceutical Engineering	4 years	School of Biomedical and Pharmaceutical Sciences
79	Engineering	Biomedical Engineering	4 years	School of Biomedical and Pharmaceutical Sciences
80	Engineering	Bioengineering	4 years	School of Biomedical and Pharmaceutical Sciences
81	Engineering	Microelectronic Science and Engineering	4 years	School of Integrated Circuits
82	Engineering	Integrated Circuit Design and Integrated System	4 years	School of Integrated Circuits
83	Liberal Arts	Chinese Language	4 years	International Exchange College
